- **UNIVERSITY LITTLE KIDS – THE NURSERY OF THE UNIVERSITY OF WARSAW**

The University of Warsaw runs the Company Nursery "Uniwersyteckie Maluchy".

The nursery is intended for 15 children, from 7 months to 3 years of age. Children have at their disposal a playroom, a rest room, a dining room and a bathroom adapted to the needs of the youngest children. Children are provided with food three times a day, delivered by a catering company. Parents can use the nursery's services 12 months a year, from Monday to Friday from 7:00 a.m. to 5:00 p.m. The duration of a child's stay in the nursery is a maximum of 9 hours, which can be flexibly adjusted to the parents' needs.

The condition for admitting a child to the nursery is that at least one of the child's parents must have the status of an employee or doctoral student at the University of Warsaw, the child's mother or father is not professionally active (maternity leave, parental leave, no job, doctoral studies) and the desire to return to the labour market.
