

## **Childcare infrastructure available to the UW community "University Toddlers" – nursery of the University of Warsaw**

The University of Warsaw operates the "Uniwersyteckie Maluchy" Company Nursery, designed for 15 children in a range from the age of 7 months to 3 years. There is a playroom, a rest room, a dining room and a bathroom adapted to the needs of the youngest children. The nursery provides 3 meals a day, delivered by a catering company. All University Toddlers are housed in one different age group.

Parents can use the nursery services 12 months a year, from Monday to Friday from 7:00 a.m. to 5:00 p.m. The child's stay is a maximum of 9 hours, with the possibility to adjust it flexibly to the parents' needs.

The condition for the child's admission to the nursery is that one of the child's parents must be employed or a PhD student at the UW, that the child's mother or father is not professionally active (maternity leave, parental leave, no employment, PhD studies) and that they wish to return to the labour market.

The activities of the nursery are supervised by the UW Office of Social Affairs.

## **Smyki ze Smyczkowej" kindergarten**

The pre-school point "Smyki ze Smyczkowej" is a social and non-commercial teaching, caring and educational institution. It is made up of parents and guardians of all the pupils, who are involved in the centre's activities and together create the best possible conditions for the children's development. The preschoolers are in one mixed-age group, with only selected didactic activities conducted in two age groups.

"Smyki z Smyczkowej" belongs to the Social Educational Society. The pre-school point provides care for 25 children. Priority for admission is given to children of those employed at the University. Parents can use the pre-school from Monday to Friday from 7:30 am to 5:30 pm.

## **BUWialnia – co-working space in BUW**

Parents who come to the library with their children can use **a special room prepared for the little ones**.

The room is equipped with mats, highchairs, a table, toys and books. There is also a hygiene corner with a changing table and feeding chair. Four work stations are available for carers. Most of the walls in the BUWialnia are made of glass, so children can see what is going on, for example, in the main hall of the library.

Parents and their children can use the BUWialnia from Monday to Saturday from 9 a.m. to 9 p.m. and on Sundays from 3 p.m. to 8 p.m. BUWialnia is located in the Warsaw University Library (Dobra Street 55/66) on the first floor next to the lift, in room 143 just behind the Informatorium.
